Department of Public Works – **Transportation**

**SUBJECT: THROUGH HIGHWAY ON ZACA ROAD - BIG BEAR CITY AREA**

**RECOMMENDATION:** Adopt resolution establishing a through highway on Zaca Road from State Highway 38 east to Big Bear Boulevard, in the Big Bear City area.

**BACKGROUND INFORMATION:** Subsequent to a request from a local resident, the Department conducted a traffic engineering investigation at the intersection of Zaca Road and Downey Drive, Zaca Road and Brewer Way, Zaca Road and Zaca Court, Zaca Road and Malabar Way, in the Big Bear City area. The investigation revealed the existence of a view obstruction at these intersections. Also, traffic is not required to stop when entering these intersections from any direction. Zaca Road was determined to be the major highway and Downey Drive, Brewer Way, Zaca Court and Malabar Way were determined to be minor roadways based on average daily traffic count. It is recommended that the safety of the motoring public on Zaca Road be improved by stopping all traffic entering from these intersecting roadways. This can be accomplished by establishing Zaca Road as a through highway from State Highway 38 east to Big Bear Boulevard per County Code Section 52.0111(a).

**REVIEW BY OTHERS:** This item was reviewed by Deputy County Counsel Charles S. Scolastico on February 4, 2003 and County Administrative Office (Tom Forster, Administrative Analyst) on February 13, 2003.

**FINANCIAL IMPACT:** There is a cost incurred of approximately \$1750 to install the appropriate signs, as well as minor administrative costs to update Department records. Funds are available in the Department's 2002/03 Operations budget.
